Communications Experience

Las Vegas Review-Journal
R-Jeneration Reporter, 2014

-Published profile pieces in Las Vegas newspaper's print and online edition through teen program, R-Jeneration

Yamhill Valley News-Register Reporter, 2018

-Interned for 10 weeks through Charles Snowden Internship for Excellence in Journalism, a prestigious program that pairs aspiring journalists with local Oregon newspapers

-Reported for McMinnville-based paper writing features, news, profiles, event coverage and previews

-Published almost 50 stories, pitching most

-Contacted sources and conducted multiple interviews on daily basis

Daily Emerald Newspaper, 2014-2018

-Worked for four years at the University of Oregon's Daily Emerald switching between various roles

-Outreach Director (management staff): collected story ideas, feedback and contacts for editors/ goal was to diversify paper's coverage with stories including a five-part piece examining diversity and discrimination on campus

-News Desk: covered marches during political turmoil, breaking news, profiles, features and general news pieces

-Arts and Culture Desk: primarily wrote reviews and recipes, collaborating on several recipe tutorial videos

-Copy Editor: Edited stories for grammar, AP style, clarity and overall structure on tight deadlines

Multimedia Experience

Produced documentary, "Life of Abdullah", 2018

-Pitched, co-produced, and edited a 10 minute documentary in 10 weeks about a UO student living with cerebral palsy, highlighting his optimism

-Created most of the documentary script, treatment, scheduling and promotional site, serving as primary contact for sources

Completion of Multimedia Classes

-Produced clips for audio storytelling, video production, documentary production, introductory photography and introductory design at the University of Oregon
